

# Table of Contents

---

## 1.0 Project Design Standards

- 1.1 Project General Requirements
- 1.2 Acronyms And Abbreviations
- 1.3 Code Requirements/Guidelines
- 1.4 Owner's Project Requirements (OPR)
- 1.5 Construction Operations Building Information Exchange (Cobie)
- 1.6 Project Turn-Over
- 1.7 Commissioning
- 1.8 Recommended/Preferred Manufacturers
- 1.9 Architect/Engineer/Contractor/Owner Responsibility Matrix
- 1.10 Water Management Program Identification
- 1.11 Sustainability
- 1.12 Labeling Requirements
- 1.13 Network Architecture Approval

## 2.0 Site

- 2.1 General Considerations
- 2.2 Pedestrian and Vehicle Access & Circulation
- 2.3 Parking
- 2.4 Paving
- 2.5 Site Grinding and Earthwork
- 2.6 Water & Fire Protection
- 2.7 Sanitary Waste
- 2.8 Storm Sewer
- 2.9 Stormwater Management
- 2.10 Landscaping
- 2.11 Site Lighting
- 2.12 Service Yard

## 3.0 Central Utility Plant

- 3.1 General Requirements
- 3.2 Chilled Water Systems
- 3.3 Heating Hot Water Systems
- 3.4 Hydronic Water Treatment
- 3.5 Steam Systems
- 3.6 Stand-by Fuel
- 3.7 Central Utility Plant Infrastructure

## 4.0 Mechanical

- 4.1 Air Handling Units
- 4.2 Terminal Equipment and Air Distribution
- 4.3 Exhaust Systems
- 4.4 Precision Cooling
- 4.5 HVAC Piping Standards
- 4.6 Ductwork Standards
- 4.7 Snow Melt System

## 5.0 Plumbing and Medical Gas

- 5.1 Plumbing Water Service

- 5.2 Plumbing Equipment
- 5.3 Plumbing Fixture
- 5.4 Plumbing Piping
- 5.5 Medical Gas and Vacuum Systems
- 6.0 Electrical**
  - 6.1 Central Plant Criteria
  - 6.2 Seismic Criteria
  - 6.3 Labeling Requirements
  - 6.4 Electrical Rooms (Normal & Essential systems)
  - 6.5 Electrical Utility Services
  - 6.6 Essential Systems Distribution
  - 6.7 Fire Pump Electrical Service
  - 6.8 Electrical Distribution Equipment
  - 6.9 Electrical Overcurrent Device Studies (OCPD Study)
  - 6.10 Electrical Metering
  - 6.11 Electrical Conduit
  - 6.12 Lighting
  - 6.13 Wiring Devices
  - 6.14 Lightning Protection / Grounding
  - 6.15 Renewable and Alternate Energy Sources
  - Appendix – Lighting Control
- 7.0 Low Voltage Systems**
  - 7.1 Nurse Call System
  - 7.2 Audiovisual Systems
  - 7.3 Overhead Paging System
  - 7.4 Central Clock System
  - 7.5 Elapsed Time Clock System
  - 7.6 Sounds Masking
  - 7.7 Electronic Access Control System
  - 7.8 Surveillance Systems
  - 7.9 Intrusion Detection System
  - 7.10 Duress Alarm System
  - 7.11 Emergency Telephone / Intercom Stations
  - 7.12 Two-Way Hand-Held Radios
  - 7.13 Wireless Systems
  - 7.14 Additional Security Systems
  - 7.15 Cable Pathways
- 8.0 Network & Telecomm**
  - 8.1 Network & Telecommunication Rooms
  - 8.2 Utility Service / Outside Plant Infrastructure
  - 8.3 Structured Cabling Systems
- 9.0 Fire Alarm and Fire Protection**
  - 9.1 General Fire Protection
  - 9.2 Fire Alarm
